

## LINE ALERT™ Panel (Patented)

The LINE ALERT™ Panel effectively acts as a guidance system that takes you safely near your underground utility. When excavations occur involving crossing an existing underground line, the LINE ALERT™ Panel is a must. LINE ALERT™ begins to guide you 36 inches away from the utility being exposed. **LINE ALERT™ PANELS MUST ONLY BE USED BY TRAINED AND CERTIFIED OPERATORS. ONLINE TRAINING AND CERTIFICATION IS INCLUDED IN THE PURCHASE PRICE OF THE PANEL.**

### Specifications

#### Size

- 12" Wide x 36" High x 1" Thick (30.5cm Wide x 91.4cm High x 2.5cm Thick)

#### Weight

- 10 Pounds (4.54 Kilograms)

#### Environment

- Installation Environment: -35C to +45C (-31F to +113F)
- Store in a cool dry place prior to installation
- Excavatable time in the ground of up to one year following installation in most soil conditions

#### Marker Tape

- High visibility yellow 3" (7.6cm) wide tape printed with LINE ALERT INSTALLED in black lettering. A 5' (1.52 meter) length is included with each Panel

#### Panel Markers:

- Top of Panel to utility installed on: 36" (91.4cm)
- High Visibility Green: 36" (91.4cm) to 25" (63.5cm)
- High Visibility Yellow: 24" (60.96cm) to 13" (33cm)
- High Visibility Red: 12" (30.48cm) to 1" (2.5cm)
- **UNDER NO CIRCUMSTANCES OR CONDITIONS DOES KEIBERG RECOMMEND EXCAVATION INTO THE RED MARKER ZONE**
- Depth color and measurements printed on each section of the Panel for easy visibility in the ground

#### Materials

- LINE ALERT™ Panels are constructed using specially engineered biodegradable and recyclable paper-based materials, thereby providing:
  - Consistent manufacturing process, so that all Panels provide accurate one inch increment measurements
  - Durability to support a wide range of installation temperatures and to remain functional after installation for up to one year in most soil conditions
  - Minimal environmental impact
  - Consistent shearing strength, so that the unexposed Panel section stays in the ground to continue as a visual guide down to the underground line

#### Limited Warranty

- Each KeiBerg company that sells LINE ALERT™ Panels warrants each Panel against defects in materials and workmanship for a period of one year from installation in the ground or one year from purchase, whichever occurs first. Please visit the KeiBerg Inc. website at [www.keiberginc.com](http://www.keiberginc.com) for complete warranty details.
